◆Result of national examination of accepted candidates

No examinees up to the time of application

◆Special remarks

The candidate we are looking for]
 The candidate should be bright, active and motivated.
 [Subsidy and support system for trainings]
 Our support system is well developed with materials needed for preparing for the exam for care workers, manuals for acquiring knowledge to work at the facility, and senior staff will work one-on-one with beginning staff under the preceptor system to ensure the beginning staff can start working here without any worries.
 [After obtaining care worker qualification]
 Allowance for care worker qualification will be provided and promotion will be available under our human resources evaluation system.
 Night shift is third shift system. Early night shift 1,800 yen each time. Late night shift is 3,200 yen each time.

◆Introduction of the Facility

The average age of our staff is 35 and many young people work at the facility. There are convenience stores and shops near the facility, and the dormitory is close to the facility, too.
 The training system for the staff is well prepared, and the candidate can enjoy working here without concerns.
 Please join us to create a place for the elderly to live at with no worries.
